Features

Benefits

Flexible Split Cutlery Tray

The flexible third cutlery tray can be divided into 2 angled sections for better drying. The sections can also slide on top of one another to enable larger glasses or plates to be loaded in the upper basket.

Extra Dry

Can be selected during certain programs such as Intensive and Normal. An increased temperature during the final rinse to increase drying strength.

Adjustable tines

The bottom basket has adjustable tines which can offer ultimate loading flexibility.

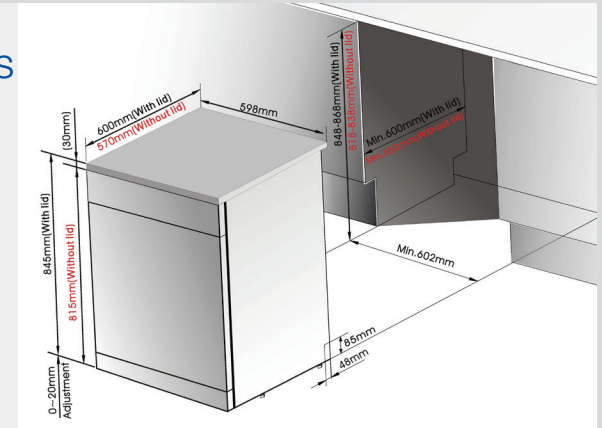

Loaded Adjustable Upper Basket

Adjustable top basket allows a 30cm plate in the bottom.

Aqua Stop + Aqua Safe
Anti-Flood Protection

In built safety systems to avoid water damage just in case of water overflow.
