

BIC950T

90cm, 5 Zone Touch Control Induction Cooktop

BLANCO

Model Code

BIC950T

Description

90cm, 5 zone induction cooktop, touch control, no frame

Warranty

5 year warranty

Made in

Europe

Features

9 stage temperature settings

Boost function

Overflow cut off

Pot detection

Locking function

99 minute timer

Benefits

With 9 different settings, you can select the ideal cooking temperature for all types of foods, providing the perfect cooking results.

The cooking zone selected boosts to the maximum power level and will stay at that level for five minutes (unless deactivated).

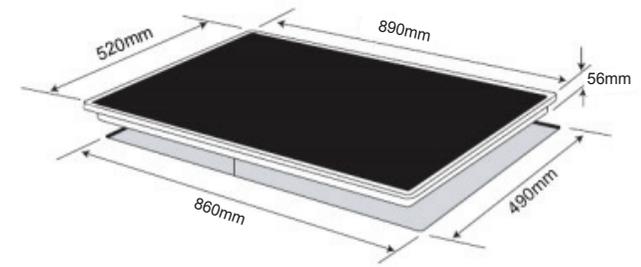

Safety feature of the cooktop whereby the unit will shutdown if a pan is boiling over onto the controls or a damp cloth is placed on the controls.

Once a pot is placed in any zone, it will be detected and will heat up in the zone immediately. Once removed, the zone will cool down.

Prevents children from accessing cooktop controls. User can either 'lock' the cooktop either whilst in operation or when it is off.

Each zone has its own 99 minute timer function, a convenient and easy way to program cooking time.

Specifications

Overall dimensions (mm):	56H x 890W x 520D
Cut-out dimensions (mm):	860W x 490D
